Extra accessoires verkrijgbaar

| Design          |                   |
|-----------------|-------------------|
| Uitvoering      | Randloos          |
| Type            | Opbouw / Vlakbouw |
| Breedte (in cm) | 78                |

| Soort verwarming & functies |                                                                                                                          |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Soort verwarming            | Elektro                                                                                                                  |
| Vermogenniveaus             | 9                                                                                                                        |
| Aantal kookzones            | 4                                                                                                                        |
| Kookzones                   | 1 × Ø 14,5 cm (1,2 kW), 1 × Ø 18,0 cm (1,8 kW), 1 × Ø 11,1 / 18,0 cm (0,7 / 1,7 kW), 1 × Ø 14,5 / 26,0 cm (1,0 / 1,8 kW) |
| Boost-functie               | —                                                                                                                        |
| Dubbele randzone            | •                                                                                                                        |
| Braadzone                   | •                                                                                                                        |
| Speciale functies           | —                                                                                                                        |

| Bedieningscomfort & uitrusting |                 |
|--------------------------------|-----------------|
| Bediening                      | Touch Control   |
| Display / kleur                | Digitaal / rood |
| Panherkenning                  | —               |
| Restwarmte-indicator           | •               |
| Timer                          | •               |
| Kinderbeveiliging              | •               |
| Veiligheidsuitschakeling       | •               |
| Powermanagement                | —               |
| Multi Control <sup>1</sup>     |                 |

| Technische gegevens                     |                       |
|-----------------------------------------|-----------------------|
| Aangesloten vermogen                    | 6,5 kW / 230 V        |
| Zekering (in A)                         | 2 × 16 A              |
| Frequentie (in Hz)                      | 50 Hz                 |
| Type stekker                            |                       |
| Lengte aansluitkabel (in cm)            | - cm                  |
| Nettogewicht (in KG)                    | 11,5 kg               |
| Bruttogewicht (in KG)                   | 12,51 kg              |
| Afmetingen verpakt apparaat (H × B × D) | 13,3 × 81,0 × 57,8 cm |
| Afmetingen apparaat (H × B × D)         | 4,1 × 78,0 × 52,0 cm  |
| Inbouwmaten (H × B × D)                 | 4,1 × 75,0 × 49,0 cm  |
| EAN                                     | 4251003103427         |

| Aanwijzing |                            |
|------------|----------------------------|
| Ventilatie | Ventilatie van voren nodig |
